

History Curriculum Overview

We have identified a set of key historical concepts or 'golden threads' that children will repeatedly revisit throughout their time at Edgworth. Our golden threads are: *Leisure and Entertainment, Religion and beliefs, Edgworth Local History*

Children will have opportunities to read a range of text types and high quality books related to our historical topics. Writing opportunities will be woven through the history curriculum and children will experience writing for a wide variety of purposes and through a range of genres. There will be incidental writing opportunities in addition to a main cross-curricular written outcome in each topic.
